A review of the Drawings by the Publishing Division (PUBS) has indicated that Figure 1 is missing a Figure label, that is, the Drawing is not labeled as Figure 1.

A new Figure 1, labeled appropriately, is required. The issue fee has been paid in this application; however, a substitute Drawing may still be submitted. As noted in MPEP 714.16(d) III:

In preparation of a patent for issuance as a patent grant, if the Office of Patent Publication (PUBS) discovers an error in the text, or drawings of a patent application, including any missing text, or an inconsistency between the drawings and the application papers, PUBS may require an appropriate amendment to the specification or drawings. 37 CFR 1.312, however, does not permit an amendment after the payment of the issue fee without withdrawal of the application from issue. In order to be able to accept such an amendment as may be required without having to withdraw an application from issue, effective February 24, 2004, PUBS has been delegated the authority to waive the requirement of 37 CFR 1.312 and accept an amendment filed after the payment of the issue fee. Furthermore, these amendments required by PUBS may be hand delivered to:

PUBS located at:
Office of Patent Publication
2231 Crystal Drive, Room 907
Arlington, VA 22202

Applicants may also fax these amendments required by PUBS to (703) 746-4000.
